

*Meet the
Class of
2010*

Matthew Geister-Jones

Son of Scott and Paula Geister-Jones

What did you enjoy most about your days in school?

Most of all I liked just spending time with my friends and classmates, as well as participating in athletics.

What are your plans for next year?

I plan on attending Carroll University and majoring in exercise science with an interest in Physical Therapy.

Benjamin Hite

Son of Gregory and Christie Hite

What did you enjoy most about your days in school?

I enjoyed getting to know my teachers and coaches. I enjoyed athletics and hanging out with my friends.

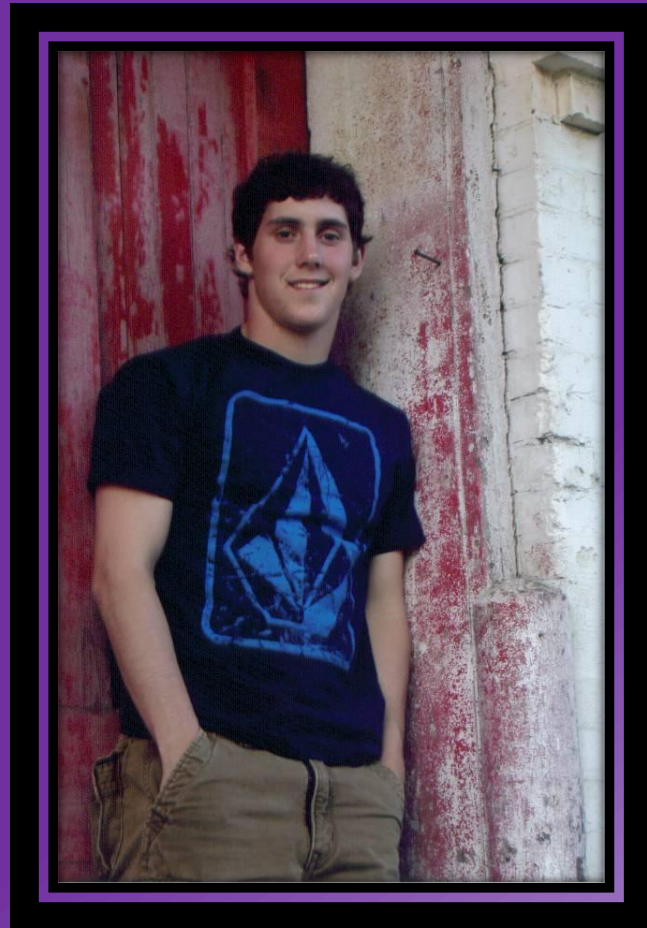

What are your plans for next year?

I plan on attending UW-Oshkosh and being involved with the wrestling program.

.

Nicholas Hite

Son of Gregory and Christie Hite

What did you enjoy most about your days in school?

I enjoyed making good friends and participating in athletics. I enjoyed being a teacher assistant and getting to know my coaches.

What are your plans for next year?

I plan on attending UW-Oshkosh and being involved with the wrestling program.

Rebecca Jacobson

Daughter of Dan and Amy Jacobson

What did you enjoy most about your days in school?

What I enjoyed most was how much fun I had with my friends everyday.

What are your plans for next year?

I plan to attend UW-Stevens Point

Elizabeth Miller

Daughter of Mark and Christine Miller

What did you enjoy most about your days in school?

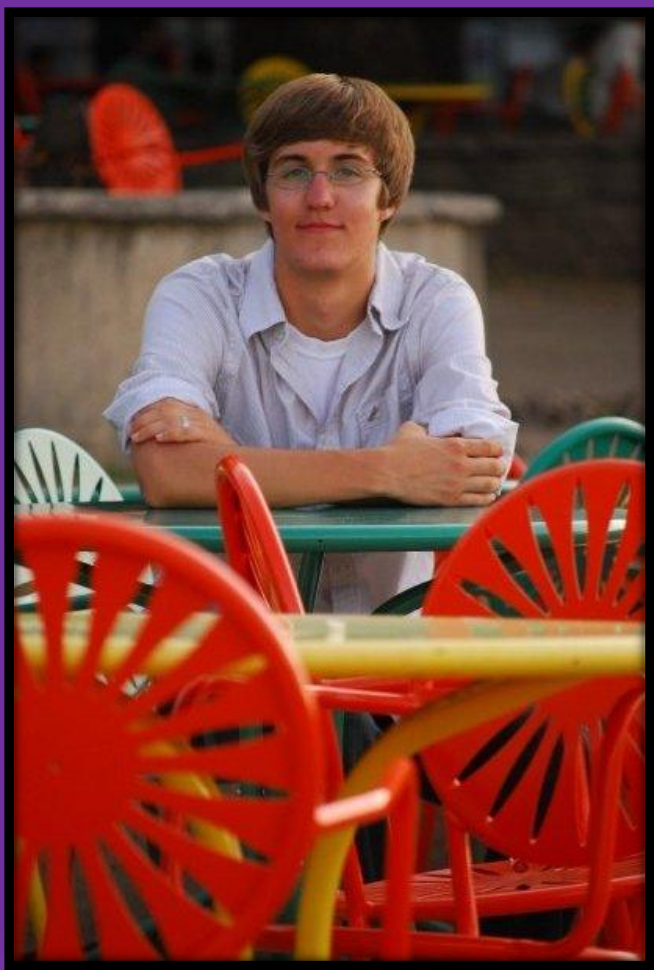

I enjoyed being with my friends, meeting new friends, and just having a good time.

What are your plans for next year?

Next year I plan on going to UW-Whitewater and will major in Special Education

Daniel Nelson

Son of Jeff and Joy Nelson

What did you enjoy most about your days in school?

Wow, the past four years have been the greatest years of my life so far. What I enjoyed the most were all the TAG (Talent and Gifted) competitions and tournaments with my friends, the great teachers for the AP classes, the privileges and freedom that were given to me, for example the responsibility pass allowing me an hour and a half for lunch, and hanging out/not getting much work done in the beloved SAC (Student Activity Center).

What are your plans for next year?

Attend Bethel University in St. Paul. I plan on double majoring with Biblical and Theology and Philosophy leading to a career in professional, perhaps pastoral, ministry.

Taylor Payne

Daughter of David and Sherry Payne

What did you enjoy most about your days in school?

Challenging myself to achieve my goals!

What are your plans for next year?

Attend UW – Oshkosh and study Medical Laboratory Science.

Tiffany Shields

Daughter of Mike and Brenda Shields

What did you enjoy most about your days in school?

In school I enjoyed making new friends and learning about new and different things.

What are your plans for next year?

Attend MATC to become a Vet Tech

Kelsey Volenberg

Daughter of David and Jennifer Volenberg

What are your plans for next year?

Attending UW-Stevens Point and majoring in radiational therapy.

Margaret Young

Daughter of Catherine Young

What did you enjoy most about your days in school?

Meeting great friends and surviving High School with them!

What are your plans for next year?

Attend Carroll University

Melinda Betts

Elliot Hanson

Thor Jeppson

Nicole Olson
