

Sunday School Children Make Valentines!

Valentines were created by the Christ Lutheran Sunday School children on February 6, 2011. The cards were distributed, on Valentine's Day to: Harbor House, Harmony House, Willow Pointe Memory Care, Holly's House, Stoughton Hospital's in-patients and Christ Lutheran's homebound. Over 150 valentines were made this year. This tradition has been carried on since 1996 when Kimberly Onsager coordinated it as a 4-H project.
