MILESTONE MINISTRIES at Christ Lutheran Church Stoughton, WI

*In busy times,
**MILESTONE
MINISTRIES**
help link parent,
child and,
Christian faith
with our church.*

**A Christian Education
Ministry of
Christ Lutheran Church**

Linking parent, child and the Christian faith...

Milestone Ministries reach into the home and invite parent and child to join together for faith education.

Sometimes we build things: like Lenten crosses or Jule Logs at Christmas; sometimes we study, grow, talk and share; and sometimes we celebrate special occasions by giving a gift—like a picture Bible to our preschoolers or a study Bible to our third graders. Whatever the event, parent and child have the opportunity to talk about Jesus, to think of what faith means for their lives, and grow in understanding.

Milestone ministries targets key events in your child's life. Gathered together with friends and parents, pastors and helpers, our children make new connections: to God; to parent; to church and faith. Linking us with our living God, that's what it's all about!

Reading a book is not the only way to learn at Milestone Ministries!

MILESTONE EVENTS

- PRESCHOOL PICTURE BIBLE** Age 3
On Palm Sunday, children receive their picture Bible, a palm and a picture of them receiving the Bible. God's story is important to them.
- ADVENT DEVOTIONS** Grade 1
Parent and child gather with Pastor to make a Jule Log for Christmas. Four candles remind us to wait for a child born to save.
- LENTEN CROSS** Grade 2
The wooden cross and Bible study child and parent complete will tell the story of Holy Week.
- STUDY BIBLE—WOW!** Grade 3
Pastor, parent, child and teacher study God's word. Martin Luther comes to church on Reformation Sunday and gives them the Bible.
- FIRST COMMUNION** Grade 4
Four Sunday sessions with parent and pastor helps kids prepare for the Lord's Supper on Maundy Thursday. Kids bake bread for all!
- THE JOURNEY BEGINS** Grades 6,7,8
Confirmation ministry begins the end of 6th grade and concludes with 8th. Parents play vital and participatory role!
- FAITH AFFIRMATION** Grade 9
Students affirm their baptism on Reformation Sunday. Special stoles made by all serve to symbolize they are "yoked" to Christ.
- HIGH SCHOOL GRADUATION** Grade 12
Not the end, but really the beginning of a life in faith with Christ and others. Blankets wrap our seniors with our love.
